We are most grateful for any contest sponsorship. The contest helps promote the hobby.

Sponsorship makes the contest possible and provides economical advertisement for the sponsor.

We announce the sponsor's name during the Awards Ceremony for each set of awards.

Additionally the Contest Category Display Cards (located on the contest tables) display your sponsorship, thus advertising YOU! Additionally we can include your logo, phone #, city, and website in addition to your name on the Contest Category Display Cards. Division sponsorship is \$50; individual categories within the divisions are \$30.

A list of the categories and special awards is included in the show brochure. Details on the special awards are on the Special Awards page.
